Dear Ms Becker,

Re: Administrative Agreement.

Please find enclosed a signed original of the Administrative Agreement between the Department of the Navy and myself.

Thank you for taking the time to meet with David Burns and I, and for removing my suspension, per the terms of the enclosed agreement. Again, I sincerely apologize for having participated in the crime that we discussed.

Yours sincerely,

RE: Administrative Agreement Between the Department of the Navy and
William Alan Potts

Dear Mr. Potts:

I have reviewed the conduct underlying your guilty plea in the District Court for the Eastern District of Virginia to one count of violating Title 15, U.S.C. § 1 (conspiracy to restrain trade), your actions since the conduct occurred, and the information you presented to me in response to the Notice of Suspension that I issued on 20 August 2007. I have determined that you adequately addressed the circumstances that gave rise to the misconduct, and that suspension is not necessary to protect the Government provided that you agree to the following conditions:

1. You will comply with all federal procurement laws and regulations when supporting, directly or indirectly, any contract with the U.S. Government.
2. You will immediately disclose to me future instances in which there are reasonable grounds to suspect that you or any contractor with which you are affiliated have violated Federal laws or regulations relating to U.S. Government procurements.
3. You will continue to cooperate fully with the U.S. Department of Justice, the Department of the Navy, and any other federal agency investigating, prosecuting, or otherwise taking action related to the bid rigging scheme in which you participated and other offenses by persons involved in that scheme.
4. I retain the right to take suspension or debarment action against you upon learning additional facts relating to the misconduct that have not been disclosed by you, that have not been released by the U.S. Attorney as of the date of this Agreement or that are currently subject to Rule 6(e) of the Federal Rules of Criminal Procedure.

Each of these conditions shall remain in effect for a period of three years or until all criminal, civil, and administrative actions against the parties involved in the bid rigging scheme are completed, whichever is longer. Failure to meet any of the terms and conditions of this Agreement shall constitute cause for debarment. This Agreement by the Navy in no way waives any criminal, civil, contractual, or administrative remedy or right that the Government may have for the acts underlying your guilty plea, or for any other conduct that would give rise to such remedies.

If you agree to these conditions, please counter sign this letter and return one original to Kristin Becker, Director, Civil Recovery Division, Acquisition Integrity Office. She can be reached at (202) 685-7266 or kristin.becker@navy.mil. Upon receipt of your signed concurrence, we will promptly remove your name from the Excluded Parties List System.

Sincerely,

Mark O. Wilkoff
Suspending and Debarring Official
Department of the Navy

Agreed:

William Alan Potts
